A multi skilled Communication and Media graduate, with background knowledge in Graphics and Art. Excels in working towards a deadline, is creative and can work both independently, and within a team.

EDUCATION

Bournemouth University

2010-2014

BA (Hons) Communication & Media

with grade 2:1

4 Week Placement at Westfield Academy

Maintained the role of Teaching Assistant for a month, which allowed me to develop both my mentoring and communication skills.

BA (Hons) Interactive Media Production

Discovered a passion for writing, rather than designing, and it was for this reason that I changed course. I learnt how to use applications such as Adobe Flash, Dreamweaver and Photoshop. Am also competent in using all Microsoft Office programmes and am capable in using both a Mac and a PC.

Yeovil College

2008-2010

BTEC National Diploma (Level 3) in Graphic Design

with grade Distinction, Distinction, Merit

Level 2 Certificate in Key Skills within Communication

Level 2 Certificate in Design and Craft – Media Techniques (Life Drawing)

Westfield Community School

2003-2008

GCSEs 6 A-C grades

Award in Digital Applications with grade Distinction

Certificate in Digital Applications with grade Distinction

INTERESTS

I am a keen creative writer, and practice often within my spare time. As such, I have been shortlisted in two competitions, which include, the New Media Writing Prize and the Laura Thomas International Short Story Contest. Plus, I've also had a story published in a digital magazine titled Dark Places. I'm constantly developing my writing abilities and enjoy experimenting with new, emerging medias.
